

Ursulines of the Central Province
Identity Statement

As Ursulines of the Central Province,
members of a worldwide community of Catholic Sisters,
we are women whose lives and mission are rooted in
the Gospel of Jesus and the spirit of our foundress, Angela Merici.
Grounded and empowered by our relationship with God
and with one another, in prayer and community,
we seek to be a compassionate, reconciling
presence of God in our world.

The purpose of this directory is to provide the religious of the province a ready reference to policies and guidelines presently operative in the province, and to procedures used and forms required for acts involving the local, provincial and/or general levels.
